SUNDAY, FEBRUARY 12TH, 2017

THIS MORNING:

The apostle John is often called “the apostle of love” because of the fact that in his letters to believers he talks so much about the topic. It is said that he preached a message on love to his congregation one Sunday. The next Sunday he spoke about love again and the people wondered why. The third Sunday he spoke on the same topic yet again. Afterwards, some of the elders approached him and asked him if he could please preach on a different topic. He replied “When you start to practice what I am preaching about, then we will move on to something else.”

His point was that it's no good to hear and learn about all kinds of different topics of theology or Bible knowledge if we don't practice the most basic of things in our Christian lives – the practice of loving one another. It is, after all, the new commandment that Jesus gave to His disciples. All the law is summed up in that one word – “love” – both for God and for your brothers and sisters in Christ. This morning we will see what John has to say to us all about what it means to love.

MISSIONARY OF THE WEEK

**DARRICK CASTRONOVA
THEWELLBUFFALO
GETZVILLE, NEW YORK**

Darrick is a native of Buffalo. He married his high-school sweetheart, Jodi, after his third year at Daemen College. In late 2009, he returned to western New York after he and his family felt God leading them to start theWELLbuffalo. Darrick and Jodi have a soft spot for the fatherless and broken-hearted and extend this into a passion for foster care. Along with the occasional foster child, they also have a few of their own: Sam, 20; Savannah, 16; Issac, 11; and Chari, 3. Late last year a second campus opened up in West Seneca. Pray that God would continue to use Darrick and theWELL to reach and serve the vulnerable and forgotten. Find out more at www.thewellbuffalo.com.
