### **THIS MORNING:**

Are you a Canadian? If you answered yes, how do you know? For some of you, the answer is because you were born here. For others, it's because you chose to move to this country and became naturalized citizens. Either way, you are a true-blue, hockey-lovin', poutine-eatin', snow-playin', mosquito-swattin' Canadian. For the most part, anyway. Have you ever doubted your citizenship? Probably not. But what if you did wonder whether or not you are truly a Canadian citizen? To help you answer that question, the government of Canada has a helpful tool on their website that allows you to answer a number of questions to see if you are, in fact, a Canadian citizen.

Some Christians wonder if they truly are born again. They are tormented by the thought that they might not be saved. Well, the apostle John has in his epistle several tests that we can use to tell whether or not we are real Christians. Today we will conclude our short study of 1 John with a look at the topic of assurance of salvation. Not only can you know for certain that you are a Christian, you can know HOW that you know that you are a Christian – a true child of God – a genuine citizen of the kingdom of heaven. Knowing that, you can have assurance of the forgiveness of sins, purpose on earth and hope of eternal life. And that's good news.

**MISSIONARY OF THE WEEK**

**TIM STEVENSON  
HORIZON COMMUNITY CHURCH  
GALT, CALIFORNIA**

One of the philosophies of Horizon is that a church is a group of people not a building, so they gather at locations in three different cities. The two newest campuses are in Lodi and Walnut Grove. The campus at Lodi put an offer on an old church building at the end of last year, and Walnut Grove recently hired a part-time campus pastor to allow the ministry there to move forward. Pray that God would continue to deepen and widen their ministries in all three communities. For more information, visit [www.horizonweb.org](http://www.horizonweb.org).
