SUNDAY, APRIL 16TH, 2017

THIS MORNING:

A Deist is someone who believes that God created the universe, setting all its laws in motion, and then stepped back and lets it run on its own. He does not take any further action or intervene in any way in the course of nature or in the affairs of men. A Theist is someone who believes that God created the universe, setting all its laws in motion, but that He does, on occasion, intervene in the course of nature and in the affairs of men. This is the God we as Christians believe in and that we believe the Bible teaches us about.

The greatest intervention of God in the course of history is the coming of Jesus Christ into this world. And the greatest manifestation of God intervening in history was the resurrection of Jesus from the dead. We all know that when a person dies there is a process of decay that sets in until the body fully and completely decomposes into dust. But when Jesus died, his body was gloriously and miraculously changed into something similar to, but completely different from a natural human body. In all of this God is giving us a powerful message of hope for the future. The resurrection shows us that we have more to look forward to than what we see in this world of sin and death. Praise God for the resurrection!

MISSIONARY OF THE WEEK

JEFF VAN PUTTEN
WESTSIDE COMMUNITY CHURCH
RIDGEVILLE, OHIO

In 2014, Jeff and Mollie Van Putten, along with one other family, launched Westside Community Church. The first Missional Community began meeting weekly, and the two families began living out the Kingdom in a specific neighborhood. They have seen God do amazing things both in and through this Missional Community, and because of its growth, a second one just launched. Please continue to pray for them as they seek to live out the Gospel in everyday life, and pray that the new Missional Community would have opportunities to love and serve the people around them. If you have any questions, please feel free to email Jeff at jeff@westsidecommunities.com, or check out their website at westsidecommunities.com.
