THIS MONTH:

It's often been said that the better we understand yesterday, the better we can understand today. History may or may not be our favourite subject, but without an understanding of where we've come from, it's hard to know where we're headed. This month, we are going to take a trip back in history as we look at the life of the early church in the New Testament Book of Acts. Like us, the early church had its share of success and failure, peace and controversy, popularity and persecution. And yet, regardless of circumstances, the church continued to press on in the cause of the gospel under the Lord's sovereign hand. We have many things to learn from the experiences of these early believers in Jesus Christ, and we will consider a few of these as we journey through the book of Acts to learn some lessons from the early church.

MISSIONARY OF THE WEEK

DENNIS & NANCY PALMER
NAB MISSIONARIES
CAMEROON

Dennis is, among other things, the medical director of the Internal Medicine Residency Training Program, which he has been doing for nine years, training young Cameroonian physicians. Four new residents just began training this month. Thank God for Nancy and Dennis, who are celebrating his 70th birthday and their 50th wedding anniversary this month. Pray for the logistics behind the hydroelectric dam project at Mbingo Baptist Hospital, part of the REACH: NAB on Mission Together capital campaign. Pray also for a potential partnership with Christian Medical College, Vellore, in India, where they hope to be able to send residents for part of their training.
